MT MANGANUI

Entry to this home is via a glazed double height atrium with the staircase leading to three generous sized bedrooms including the masterbedroom with ensuite and walk in robe. The remaining bedrooms share a bathroom and separate WC. On the ground floor double sliding doors provide entry to the large open plan living, dining and kitchen which features an island bench to provide casual dining. The space saving laundry and storage is located in the 6.0m x 6.0m garage. The street facade shows a mix of plaster and weatherboard capped with a traditional gable roof.

Floor area: 198m²
Claddings: Plaster and Weatherboard
Roofing: Corrugated Iron and Membrane
Joinery: Double Glazed Residential
